

ANNEX DELTA - LOGISTICS - TO THIRTEENTH CG DISTRICT OPOORDER 008-00 SEAFAIR UNLIMITED  
HYDROPLANE RACES AND AIR SHOW

Refs: (a) COMDTINST M16247.1A Maritime Law Enforcement Manual (MLEM)  
(b) COMDTINST M8370.11A CG Small Arms Manual

1. General.

- a. This enclosure provides guidance for uniforms and logistics in support of units and personnel assigned by this OPOORDER.
- b. A detailed Master Schedule of Events (SOE) for the 2000 Seafair activities is included in enclosure (1) to Annex Charlie. All personnel shall review and become familiar with operational demands, logistical drivers and critical times listed in the SOE.

2. Execution.

- a. Coast Guard Group Seattle is designated as the Logistics Section for the 2000 Seafair operation. Unless otherwise indicated the logistics section is responsible for the following items.
- b. Assigned TAD personnel should arrive with their small boats at Station Seattle NLT Sunset on 01 August. Small boats shall include complete boat equipment outfit including pyrotechnics, trailer, and spare parts/outboards.
- c. An operational crew brief will be held in the Station Seattle training room, on 02 August, at 0730 for all participating personnel.
- d. Assigned small boats will transit to and moor at the Stan Sayers Pits beginning at 1200 on 02 August.
- e. Daily operational briefs from will be held for all coxswains and command personnel on the helicopter barge at 0845T 03, 04, & 06 August and at 0830T 05 August.
- f. Engineering support personnel report to Station Seattle NLT 1200 on 02 August. Engineering support personnel will be stationed on the CGC BAYBERRY each day of the activities.
- g. At the beginning of each day's patrol, all Auxiliary facilities shall report in to the designated Auxiliary Sector Commander when on station for the patrol.

3. Equipment.

- a. In addition to standard vessel allowances, designated CG patrol vessels shall carry "NO WAKE/SLOW/STOP" signs provided by Group Seattle.
- b. All Auxiliary patrol vessels shall be equipped as follows:
  - (1) VHF-FM Transceivers. Portable VHF-FM Transceivers shall be checked out, if need be, by Auxiliary vessels and returned each day for overnight recharging by the Logistics Section Chief.
  - (2) "NO WAKE/SLOW/STOP" signs provided by Group Seattle.
  - (3) Loud hailers (permanently installed or hand-held).

ANNEX DELTA - LOGISTICS - TO THIRTEENTH CG DISTRICT OPORDER 008-00 SEAFAIR UNLIMITED  
HYDROPLANE RACES AND AIR SHOW

- c. Daily, PATCOM Control Tower shall be equipped with 08 red emergency flares, issued by the PACAREA Armory, one fixed and two portable VHF-FM transceivers.
- d. The helo barge shall be equipped with two CO<sub>2</sub> extinguishers.
- e. CGC BAYBERRY's barge shall be equipped with porta-potties, cooking equipment, reefer, generator, tarp, fire extinguisher, and picnic tables.

4 Uniforms.

- a. Uniform for boarding teams shall be in accordance with reference (a).
- b. Uniform for boat crews and deployed personnel (active/reserve/auxiliary) shall be either undress or working blue. However, the entire crew of each facility should wear the same uniform.
- c. Uniform for IC, Deputy IC, PATCOM, Pit Liaison Officer, and Public Affairs Officer (in tower) shall be tropical blue long with unit ball caps.
- d. Crews should be prepared and bring foul weather gear and sunscreen, and sunglasses for protection from the elements.

5 Meals.

- a. Breakfast shall be made available to all crews in the ISC galley for the CAT II rate from 0615-0745T on 03, 04 and 06 AUG and 0615-0730T on 05 AUG.
- b. From 03-06 Aug, CGC BAYBERRY shall serve as the logistic platform for Coast Guard assets on Lake Washington.
- c. Lunches will be served on CGC BAYBERRY from 1030T-1515T each day. Sector Commanders shall coordinate meal schedules for assigned units.
- d. Payment for meals for Auxiliary patrol facilities will be collected by 01 August or claimed on Auxiliary TONO numbers through the Auxiliary Liaison Officer. Cost is \$3.00 per day for lunch.
- e. All CG members are requested to **pre-pay by 02 August** for lunches between 03-06 August. In the event that a member is not able to pre-pay, a cash box will be available on CGC BAYBERRY. Patrol members are encouraged to bring one-dollar bills, vice larger denominations if they pay on the barge.
- f. Snacks will be made available for pickup at the ISC Galley during the morning chow period and on CGC BAYBERRY.

6 Morale.

- a. The annual Group Seattle sponsored morale party will be held on 03 August from 1800T-2100T in the Bear Room located at ISC Seattle near the front gate. All participants in the 2000 Seafair operation are invited to attend.
- b. Unit representatives attending the Seafair All Sea Service meetings shall obtain a schedule of Navy Fleet week morale events and disseminate information to all personnel eligible to attend the CPO and Officer receptions so that they are aware of the times, dates, and locations.

7 Engineering Support.

- a. Group Seattle's Engineer Officer shall:
  - (1) Appoint an engineering liaison to maintain communication with Coast Guard units that will be providing assets.
  - (2) Liaison with incoming units to ensure that all vessels to be used will be in a B-0 status upon arrival at ISC Seattle.
  - (3) Station at least one qualified technician aboard CGC BAYBERRY from 03-06 Aug to assist patrol units requiring mechanical/electrical maintenance.
  - (4) Confirm with all units the types of logistical support necessary for incoming vessels; e.g., necessary spare parts, special tools, equipment storage area required, type and amount of fuel necessary, along with estimated amount of sewage to be pumped out during the event. Engineering POC can be reached at (206) 217-6130.
  - (5) Provide two CO<sub>2</sub> fire extinguishers to the helo barge from 03 to 06 Aug.
  - (6) Develop a daily refueling schedule for RHIBs, TANB, and Safeboats from 03-06 August on Lake Washington. Assign a CG member to be present during fueling operations to avoid damage to vessels and environmental mishaps.
  - (7) Contact all commands supplying vessels to explain the nightly refueling evolution. It must be explained that the personnel responsible for the movement of vessels may not necessarily be members assigned to the unit to which the vessel belongs. If the command is not willing to grant permission, then they must supply personnel who are qualified to operate the vessel to move to the fueling station and back to moorage.

8 Weapons.

- a. The Group Seattle Gunner's Mate shall be the primary POC for weapons issues. He may be reached at (206) 217-6352, or through the Group OPCEN at (206) 217-6000.
- b. Participating units shall provide qualification documentation per reference (b) before being allowed to carry a weapon during the 2000 Seafair operation. As a minimum this shall include all BOs, BTMs and LE personnel.
- c. All incoming personnel required to conduct LE activities shall bring personal body armor, web gear, etc.
- d. The PACAREA Armory detachment shall provide M92F Beretta 9mm pistols to all LE personnel. Weapons issue and receipt will be carried out daily IAW enclosure one to Annex Charlie.

9 Personnel.

- a. All personnel shall check in to Group Seattle NLT Sunset 01 August 00. For personnel arriving between 0700-1500, check in location is the Group Seattle Administration Department on the 2nd deck of ISC Seattle Building 1. For personnel arriving after 1500, the check in location is the Group Seattle Operations Center located on the 1st deck of ISC Seattle Building 1.
- b. TONOs shall be provided to TAD personnel from their respective parent Group Commands. All personnel must submit a travel claim, with appropriate receipts, within 3 working days upon reporting back to PDS. Forward travel claims to YNC Harmer at Group Seattle, 1519 Alaskan Way South, Seattle, WA 98134. Direct questions to (206) 217-6123.

10 Supply/Procurement.

- a. Group Seattle shall:
  - (1) Submit requests to FCC in ample time to obtain temporary VHF-FM frequencies.
  - (2) Obtain cellular phones as required per Annex Kilo.
  - (3) Procure pier space at Park Shore, Meydenbauer and Leschi marinas for Auxiliary vessels.
  - (4) Establish gasoline and diesel fuel contracts with Seafair event fuel vendor.
  - (5) Establish a contract with a sewage removal vendor to facilitate sewage pump-out for patrol vessels and two porta-potties on CGC BAYBERRY. Provide vendor with a listing of vessels authorized for pump out. Provide CG units with vendor's POC and pump-out rates.  
**CG units must obtain a receipt stating the date and number of gallons pumped. Receipts shall be turned in to the Sector Commander or Group Supply dept NLT 07 Aug 00.**

ANNEX DELTA - LOGISTICS - TO THIRTEENTH CG DISTRICT OPORDER 008-00 SEAFAIR UNLIMITED  
HYDROPLANE RACES AND AIR SHOW

- (6) Provide two porta-potties to be loaded on the CGC BAYBERRY's barge from 31 Jul to 07 Aug 00.
- (7) Furnish a canopy or tarp and poles for use on CGC BAYBERRY from 02 Aug to 07 Aug. The canopy shall be delivered by 0800 02AUG00 to the Stan Sayers Pits and erected on BAYBERRY's barge. Obtain space measurements from CGC BAYBERRY.
- (8) Furnish four (04) 40-gallon trash containers and trash bags to be loaded on the BAYBERRY barge from 31 Jul to 07 Aug. At the end of each day, transport and dispose of trash from the barge.
- (9) Furnish a total of 15 folding chairs for CGC POINT DORAN on 02 Aug for VIP Cruise operation from ISC Seattle to Lake Washington.
- (10) Furnish 15 folding chairs to be loaded on CGC BAYBERRY on 31 Jul until 07 Aug.
- (11) Furnish two (02) picnic tables to be loaded on CGC BAYBERRY on 31 Jul until 07 Aug.
- (12) Procure paper products and utensils to be used for meals on 03-06 Aug on CGC BAYBERRY.
- (13) Coordinate with ANT Puget Sound to acquire a portable generator for use on CGC BAYBERRY from 31 Jul to 07 Aug. Ensure that fire extinguisher and fuel containers are obtained. Replenish fuel daily.
- (14) Establish contracts with a local cold storage facility/vendor to lease and procure the following items:
  - (a) Ice to be delivered on a daily basis to CGC BAYBERRY.
  - (b) Ice merchandiser to store all ice for patrol vessels daily; exact location to be determined at a later date.
  - (c) A refrigerator unit to store food products for daily meals. Contact ISC galley to obtain approximate cubic footage necessary for storage.

11 Moorage.

- a. Develop moorage plan for ISC Seattle, McClellan Street dock, and other locations. Identify other potential locations for moorage. (See Encl. (1) Annex D). Coordinate with Seafair POC Gary Grubbs (206) 365-4395 on any moorage in pits, including VIPS for 05-06 AUG.
- b. Identify hook-up requirements for vessels.
- c. Coordinate with ISC Seattle on moorage requirements for 01-07 Aug. Keep ISC appraised of anticipated units and changes as they arise.
- d. Ensure that moorages have adequate depth for assigned patrol vessels.
- e. Make contact with Seattle Harbor Patrol POC, LT Dick Schweitzer, to request use of Seattle Harbor Patrol boat launch.

ANNEX DELTA - LOGISTICS - TO THIRTEENTH CG DISTRICT OPORDER 008-00 SEAFAIR UNLIMITED  
HYDROPLANE RACES AND AIR SHOW

- f. Daily, provide one person security at McClellan Street dock from time units' tie up until Seafair security arrives, approximately 1800T. Coordinate with Seafair POC Mr. Ed Shields.

12 CGC BAYBERRY Loadout (31 Jul).

- a. Develop Master Schedule of Events to determine the sail schedule and time frames necessary to move logistical equipment on to the cutter.
- b. Coordinate methods of loadout of the following items with CGC BAYBERRY:
  - (1) Refrigerator
  - (2) ISC Galley grill and cooking equipment
  - (3) Canopy and/or tarp w/ poles
  - (4) Two Porta-potties
  - (5) Four 40-gallon trash containers and bags
  - (6) Two picnic tables
  - (7) Fifteen chairs

13 Transportation.

- a. Attain the status of vehicles and availability during the Seafair time frame.
- b. Liaison with D13 command to determine availability of unit vehicles for usage during the Seafair time frame.
- c. Coordinate with the ISC Seattle galley to provide a vehicle for the daily transport of foodstuffs and FS personnel from ISC Seattle to the Pits.
- d. Two vehicles will be on-call resource during 03-06 Aug. One driver and van will be located at ISC Seattle (Ext. 6410, ISC BEQ) and one driver will be on call at Lake Washington to transport personnel. Appoint a transportation liaison officer. Establish contact with all Group Seattle subordinate units to back to ISC Seattle.
- e. Develop shuttle van transportation schedule from ISC Seattle to the Stan Sayers Pits from 03-06 August. Plans must include initial and return transport each day of Seafair personnel between ISC Seattle and Stan Sayers Pits.
- f. Coordinate with Auxiliary Liaison to identify the number of Auxiliary crewmembers that will park at ISC and require transportation to their assigned AUX unit.
- g. Ensure that ALL members moored at marinas, ISC, Univ. of Washington and other locations, have transportation to morale event(s) and return transport to their facilities.

ANNEX DELTA - LOGISTICS - TO THIRTEENTH CG DISTRICT OPORDER 008-00 SEAFAIR UNLIMITED  
HYDROPLANE RACES AND AIR SHOW

- h. Develop a transportation plan for the return of VIPs back to ISC Seattle following the 02 Aug VIP cruise from ISC Seattle to Lake Washington. On or about 1200, CGC POINT DORAN shall embark approximately 15 VIPs at ISC Seattle and depart to the Stan Sayers Pits, Lake Washington. Upon reaching the pits, members shall disembark the cutter and be met by vans waiting to transport personnel back to ISC Seattle.
- i. Develop a comprehensive transportation schedule (See (Encl. (2) Annex D).

14 Parking.

- a. Reserve 30 spaces at ISC Seattle in the south parking lot for incoming units and CG Auxiliary. Members may park their vehicles at ISC Seattle from 01-06 Aug. Provide map of parking location. (See Encl. (3) Annex D).
- b. Identify 'all-day' parking requirements at Lake Washington. Coordinate with Seafair POC Gary Grubbs (206) 365-4395. Clearly mark designated parking with signs stating "PARKING RESERVED FOR U.S. COAST GUARD."
- c. Provide driving directions and map indicating location of parking at Lake Washington. (See Encl. (4) Annex D).

15 Berthing.

- a. Group Seattle will assign berthing upon arrival. Berthing will be located at BEQ, USCGC MELLON and USCGC MIDGETT.
- b. Those personnel staying at ISC BEQ shall check-in at the BEQ. Incoming personnel shall check-in with their ID cards. Members shall receive a briefing from the BEQ staff as to the standards of conduct and their responsibilities.
- c. Members must bring their own towels. Other linen will be provided.
- d. Laundry facilities are available for all residents. Residents must furnish their own supplies, including laundry soap.
